

PAYROLL MANAGEMENT AND COMPLIANCE SERVICES

In the intricate landscape of business operations, managing payroll and adhering to statutory compliances are critical and time-intensive challenges. A seamlessly streamlined and efficient payroll system not only unlocks business insights but also enhances overall compliance, steering the company towards success.

At BDO in India, we are committed to providing quality-led and accurate payroll services with an unwavering dedication to compliance and attention to detail. Be it a start-up or an established entity, our offerings are curated precisely to meet the needs and evolving requirements of the enterprise, enabling them to forge a path toward sustainable growth.

OUR SERVICES

Our seasoned experts are adept at implementing outcome-based solutions for the unique set of payroll and compliance challenges and requirements within an organisation.

We offer businesses a gamut of services spanning the HR function, including:

END-TO-END PAYROLL MANAGEMENT

Timely and accurate computation of employee salaries, benefits, and deductions.

PAYROLL AND LABOUR LAW COMPLIANCE MANAGEMENT

Expertise in handling Pan-India labour-law-related regulations, ensuring accurate compliance filings, record maintenance and licensing.

COMPENSATION STRUCTURING AND HR-RELATED POLICIES

Designing customised compensation structures and HR-related policies to ensure higher take-home for employees, clubbed with correct compliances and better employee experience.

DISBURSEMENT SERVICES

Taking ownership of remittance of statutory government dues within due dates.

COMPLIANCE HEALTH CHECK

Helping clients review their existing tax and labour law compliances to identify gaps and remedial steps to ensure adherence with legislation.

ACCESS TO TECHNOLOGY

Making available advanced payroll software and technology for enhanced efficiency, including employee self-service portal, mobile applications, single sign-on, system integrations, etc.

HRMS

Making available HRMS modules such as employee leave management, time and attendance management, expense reimbursement, employee query management, flexi basket, investment declaration with a tax calculator, exit module, etc. to ease the enterprise's burden and provide a single platform that meets all payroll related requirements.

WHY US

Leveraging cutting-edge technology, our services are designed to streamline our clients' payroll requirements - from accurate salary disbursements to navigating complex regulatory frameworks - and ensure seamless end-to-end management.
